Dear Friends,

There are several options being considered for the West Santa Ana Branch alignment, and many different opinions have been expressed. But what does Little Tokyo really want?

To give our board members and any other interested community stakeholders an opportunity to sort through the various options, discuss their views, and ask questions, the LTBA Transportation Committee is holding a roundtable discussion and information sharing session TODAY April 2, 4 p.m., in the Maryknoll library (St. Francis Xavier), 222 S. Hewitt St. Free parking is available on the church grounds.

- AGENDA
- I. Introductions
 - II. Overview / Purpose of Meeting
 - III. Interactive Discussion
